

Made in the UAE - Production Series

What is Made in the UAE

Made in the UAE or #madeintheuae is an initiative from THE SCENE (a private film club) and is a series of film workshops and film screenings, delivered every month involving filmmakers, talents working in film projects and/or people involved in the specific segment of the film sector from the United Arab Emirates to a group of film veterans and people who wish to understand the ins-and-outs to succeed in the industry. It's a great way to understand the successes and getting the inside scoop from talented people to pass on their knowledge to a film audience and building a network for future projects.

How to qualify?

- Short films or scenes from a feature film that does not exceed 15 minutes will be accepted by the organizers.
- Submitted films must be MADE IN THE UAE.
- Films can be in any language as long as there is English subtitles.
- Jurors from Meraas Entertainment and The Scene will choose 1 film from all the submitted films.
- The chosen film will be screened at the Made in the UAE event.
- The film must be represented by four different crew and or cast members to address the crowd.
- Each speaker will be given 15 minutes to explain how that specific part of that film was made.

How long does each workshop last?

- Made in the UAE series will last 1 hour and 30 minutes
 - 1 Hour: Divided to 4 speakers which give each of them 15 minutes to explain/present
 - 15 Minutes: Screening of the chosen film
 - 15 Minutes: Q&A session with the speakers/panelists

Panelists presentation format and language

- Each speaker will need to submit a PowerPoint presentation with his or her key points and images or video inserts.
- Presentations can be in Arabic. However, it should be translated to English. Panelists can address the crowd in Arabic. We will provide live translation.

How much does it cost to participate or attend?

- It is free. This platform is created to form a film community that can help each other.
